***PLATTING REQUIREMENTS:***

For any land which has been rezoned upon application of a private party, no building permit or zoning clearance permit may be issued until that portion of the tract on which the permit is sought has been included within a subdivision plat or replat, as the case may be, submitted to and approved by the Planning Commission, and filed of record in the office of the County Clerk where the property is situated. Provided that the Planning Commission, pursuant to their exclusive jurisdiction over subdivision plats, may waive the platting requirement upon a determination that the above stated purposes have been achieved by previous platting or could not be achieved by a plat or replat.

***ACKNOWLEDGEMENTS:***

The owner hereby acknowledges that in the filing of the Lot Combination Application, they cannot sell, convey or mortgage any of the lots or parcels comprising the Combined Parcel separate and apart from any of the other lots or parcels within the combined parcel; any attempted sale, conveyance or mortgage of the lots or parcels within the Combined Parcel separate and apart from any of the other lots or parcels within the combined parcel shall be void; and the covenants within the Lot Combination Declaration shall run with the title to the lots or parcels within the Combined Parcel and shall be binding on all parties having or acquiring any right, title or interest in any part thereof.

The owner acknowledges that the combination does not go into effect until the deed reflecting the Planning Commission's approval is filed at the appropriate county courthouse. The owner is responsible for filing such deed and providing a copy of file document to Planning Commission staff.
